

CITY OF HALLANDALE BEACH, FLORIDA
MEMORANDUM

DATE: April 13, 2010

TO: Christy Dominguez, Director of Planning & Zoning

FROM: James Kirchoff, Deputy Police Chief 

SUBJECT: Application for 6:00 a.m. Nightclub License Cadillac Ranch
(Misc. 2776)

Staff has reviewed the application from Cadillac Ranch for a Nightclub License to operate a business at Gulfstream Park Racing and Casino until 6 a.m. closing.

Since the business is new to the city we are unable to provide two twelve month reports. However we conducted a background check on the applicant of the license. The business has already contracted with the city for off-duty officers on any night the business is open after 2am.

The Police Department has no reason to preclude issuance of this 6:00 a.m.
